

**INQUIRY INTO GREATER SYDNEY PARKLANDS TRUST
BILL 2021**

Name: Ms Melissa de Silva

Date Received: 14 January 2022

I strongly oppose the Greater Sydney Parklands Trust Bill. The isolations of 2020 and 2021 highlighted how important it is for there to be accessible public green space in providing a peaceful and enjoyable outdoor space. Callum Park has the added importance of its rich and complex history. I urge you to reject this Bill.
