

## **INQUIRY INTO ANTISEMITISM IN NEW SOUTH WALES**

**Name:** Mr Kerry Ross

**Date Received:** 29 March 2025

---

There is no room in Australia for antisemitism, or any other form of racial hatred. People should feel safe to walk the streets without fear of verbal or physical abuse because of their faith. All protests must be peaceful, without inciting violence or hatred. These privileges should be protected at all costs, it is dividing Australia. Stop the antisemitism, it only fuels more hatred.
